

# VICTORIA LONG, FNP-C

## WOODLANDS FAMILY MEDICINE

---

### PROFILE

Victoria considers it a privilege to provide for your family's healthcare needs. She strongly believes in prevention, and is committed to working in partnership with you in a holistic approach to health promotion and education. She received her Nurse Practitioner training at the University of Texas Health Science Center - Houston, which ranks in the **TOP FIVE PERCENT** of programs in the country.

### EXPERIENCE

#### WOODLANDS FAMILY & COMMUNITY MEDICINE
